PATHWAYS TO THE FUTURE

In excess of 1,000 people have registered or have already attended one of the *Pathways to the Future* conversations that are being held across the Diocese during November. The conversations have been animated, rich, and fruitful, with those present sharing their hopes and dreams for their parishes and Families of parishes, their cares and concerns, as well as ideas and suggestions on how we build the Kingdom of God in Down and Connor. The Holy Spirit is moving through our parishes and our people, and there is a very real sense of excitement and optimism, and a willingness among our faithful to answer Christ's call to renew and rebuild His Church for now and for the future.

On this Feast of Christ the King, as this church year draws to a close and we move into a time of waiting, expectation and preparation for the birth of Christ, our Saviour and King, let us pray for the renewal of our Church in Down and Connor and the guidance of the Holy Spirit as we plan for our future. Let us pray to be guided by the Spirit in the discernment of our own personal gifts and the role that God wants us to play in sharing the Good News of the Gospel and the love of God with all we meet and journey with in our lives.
