ANNUAL PARISH CENSUS 2025

A count of attendance will take place at all Masses across the Diocese this weekend 10th & 11th May.

The annual parish census captures valuable information about the numbers, ages, and gender of people attending Mass. This information helps the Diocese and parishes to identify pastoral priorities, make plans to address them, and provide support to our faith communities.

When you arrive at Mass, you will be given a small counter for yourself and for each person in your family group and will be asked to place the counters in baskets labelled according to age.

There will be red counters for females and blue counters for males.

The baskets will be labelled with age bands and the number of counters for each age band will be recorded after each Mass.

We look forward to seeing you at Mass this weekend and thank you for your patience and co-operation.

It is with great joy that we give thanks to God and welcome the election of Pope Leo XIV.

We continue to keep him in our prayers as successor of St Peter that he might strengthen all brothers and sisters, whilst holding the Church in unity.
